THE FOLLOWING SHOULD ANSWER ALL OF YOUR QUESTIONS
You have signed up for a Kindergarten Puppy Training (KPT)(8 weeks-5months) or
a Beginners Class (5 months and up).

Your day is _____ time is _____ and class
begins _____, the cost is _____.

Each class meets once/twice a week for 50-60 minutes. All classes are indoors. We rarely cancel class as we are indoors, but if the weather is questionable (snow, etc), please check the website above or call us. If your class is a 6 p.m., call after 4:30, if your class is 7 or 8 p.m. call after 5:30. Saturday mornings call after 7:30 a.m. Cancellation information will NOT be available prior to these times.

In this class, we teach basic (on leash) obedience commands (sit, down, heel, stay, etc.) and will address and work on behavioral problems (jumping, digging, chewing, biting, etc.). We will teach owners how to effectively establish leadership using training techniques that are appropriate for their individual dog. We have found that one of the best ways to teach “good manners” is in a group setting. Dogs that are trained in this manner will learn to be sociable and respond to commands in any situation... regardless of surrounding distractions.
